Conventional history tells us the 20th Century's most significant events were World War I, World War II and perhaps the fall of the Soviet Union in 1991.

Francis Fukuyama famously suggested liberal democracy within global capitalism eventually triumphed. A people's history takes a refreshingly different and more intelligent approach.

A History of the World was a major series for the BBC and this is the tie in book, written by Andrew Marr. The series had eight episodes, and this book has eight substantial chapters, It has the broad brushstrokes of history with lots of details, but not all the minutiae that you would expect from a detailed book on a particular time.
