Brian Augustyn's "Batman: Gotham by Gaslight" is one of the first official "Elseworld" versions of Batman. Augustyn is not Frank Miller or Alan Moore or Grant Morrison, so the more "edgy" or experimental elements are lacking, but this remains a solid reimagining of Batman that is contextually believable and highly enjoyable.

Gotham by Gaslight spawned a sequel entitled, Batman: Master of the Future which carried the Elseworlds imprint. This issue is ISBN 1-84576-403-X. Reference is made to the "English detective". This is undoubtedly a tongue-in-cheek reference to the literary 19th century British detective Sherlock Holmes.

Batman: Gotham by Gaslight | DC Database | Fandom

In an age of mystery and superstition, how would the people of Gotham react to a weird creature of the night, a bat-garbed vigilante feared by the guilty and the innocent alike? The very first Elseworlds tale re-imagines the Dark Knight detective in Victorian times and pits him against the infamous murderer Jack the Ripper.
