theories and research to their own classroom practice. This book teaches using an integrated-case approach — every chapter begins with a true-life classroom case study.

Using Educational Psychology in Teaching, 11th Edition

About the Program. RIC's School Psychology Program is a 3-year, integrated, sequential program of study and supervised practice. The program prepares future school psychologists to provide a range of psychological and educational services with specialized focus on the developmental processes of children and youth within their schools, families, and other social systems.
