Entrepreneurship and entrepreneur - SlideShare

Based on research by Jorge Guzman and Annamaria Conti. "Location, location, location," is known as the real estate agents' mantra. According to assistant professor Jorge Guzman, the phrase is also applicable to entrepreneurship and startups, particularly those in the technology industry. "When it comes to startups, location matters," Guzman says. "It helps you connect with the ideas around you, find capital, hire employees, and even impacts whether you become an acquisition ...

Location Matters for Entrepreneurship

Entrepreneurship is the pioneering force that connects the world societies with its activity of exchange from the early period of our human history. It is a basic strength of business organizations too. The provocation of change toward future business prosperity is the result of the entrepreneurial zeal of the people.
