Afterward, We can set a monthly meet ups and review the progress and help each others for any question we might have.
Regards

EXAC Exam 2019 study group | Forum | Archinect

A study group will help big time close to the exam time, you'll see people asking for it in the next few months after the 2019 ExAC results are out. I did a course (simply exam) close to the exam time as well where they summarized all ExAC key objectives within 4-5 days 2 years ago and it did help me as well.

EXAC 2020 | Forum | Archinect

Anyways, 2 of the exams are multiple choice, roughly 115-140ish questions. The other 2 are a combination of multiple, T or F, short answer and red line markups. For example, you won't be asked to fill in LEED sheets but you may be asked more generic best practice type questions related to sustainability.

A passing score will be selected for each of the four sections of the ExAC. The passing score for each section will be determined following a statistical test analysis of the results for each part of the examination. Certain questions may be withdrawn from the ExAC after the measurement parameters for the questions have been analyzed.
