TLAC Clinical Teaching | myCEHD

Edited By Linden Thomas , Nick Johnson. Synopsis. The Clinical Legal Education Handbook is intended to act as a good practice guide and practical resource for those engaged in the design and delivery of clinical legal education programmes at university law schools. The Handbook is primarily aimed at clinics in England and Wales, but is likely to have content that is of interest to those engaged in clinic in other jurisdictions.

The Clinical Legal Education Handbook | Humanities Digital ...

Clinical teaching is an extremely important component of the certification program. The primary purpose of clinical teaching is to apply what has been learned in university courses to the professional setting (i.e., an actual classroom).

Clinical Teaching

Clinical teaching is a very important element of the teaching certification process. Clinical teaching is as a full day, full-time, school-based experience that is supervised by both a cooperating teacher and TCU field supervisor. The clinical teaching experience provides pre-service teachers the opportunity to make practical application of knowledge, learning principles and teaching techniques.
