In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

How We Gypsies See The

"Gypsies" in the United States. Several groups, all known to outsiders as "Gypsies," live today in the United States. In their native languages, each of the groups refers to itself by a specific name, but all translate their self-designations as "Gypsy" when speaking English. Each had its own cultural, linguistic, and historical tradition before

Regarding transport of Gypsies be
informed that on Friday, October 20,
1939, the first transport of Jews will
depart Vienna. To this transport 3-4 cars
of Gypsies are to be attached.

Subsequent trains will depart from
Vienna, Mährisch-Ostrau and Katowice
[Poland]. The simplest method is to
attach some carloads of Gypsies to each
transport.

The Moken are also called Sea Gypsies, a generic term that applies to a number of peoples in southeast Asia. Their epithet is "The Moken are born, live and die on their boats, and the umbilical cords of their children plunge into the sea." The Moken only live on land during the monsoon, for about 3 months in a year.

The Moken People - Sea Gypsies

American gypsies live all over the country, but are mainly found in New York, Los Angeles, Dallas, Boston, Atlanta, Portland, Seattle, San Francisco, Houston and Dallas. American gypsies usually migrate to these large, prosperous cities to enable themselves to find temporary work in a multitude of alternative professions, such as singing ...

The Romani are widely known in English by the exonym Gypsies (or Gipsies), which is considered by some Roma people to be pejorative due to its connotations of illegality and irregularity. Beginning in 1888, the Gypsy Lore Society [69] started to publish a journal that was meant to dispel rumors about their lifestyle.

It didn't go so much into the history of the Gypsies, so I recommend other books if your objective is to find out every detail of their history. But one thing the author points out is that the Gypsies see us (Ganji) as ridiculous people who deserve to be told lies - so I wonder how much real information is out there about their history.
