Organized around common rhetorical situations that occur all around us, INVENTING ARGUMENTS shows students that argument is a living process rather than a form to be modeled. The text's focus on invention teaches students to recognize the rhetorical elements of any argumentative situation and apply the tools of argument effectively in their own writing.

"Every time I get a review copy of a new composition text in the mail, I find myself comparing it to INVENTING ARGUMENTS. They all come up short. Inventing Arguments has everything I need in one book." "This is one of the most student-friendly texts on argument. The arrangement of chapters, focus on specific writing projects and the discussion of the nuts and bolts of drafting an argument paper responds to the way students ask their questions."
