THE MARITIME LAW ASSOCIATION OF AUSTRALIA AND NEW ZEALAND

Maritime Law is a key unit for those interested in the legal underpinnings of world trade, commerce and development. Maritime Law examines the fundamental legal framework for the conduct of international and domestic maritime trade and commerce. Maritime law has ancient roots in Greek and Roman laws; but at the same time is fresh, contemporary and very responsive to market needs. Topics addressed by the unit include the scope and purpose of sea carriage documents; the role of international ...

maritime law in australia - piromie.s3rcn.org

Admiralty law or maritime law is a body of law that governs nautical issues and private maritime disputes. Admiralty law consists of both domestic law on maritime activities, and private international law governing the relationships between private parties operating or using ocean-going ships. While each legal jurisdiction usually has its own legislation governing maritime matters, the international nature of the topic and the need for uniformity has, since 1900, led to considerable internationa

Admiralty law - Wikipedia

This course covers maritime liabilities and claims and their enforcement using as central examples collisions, salvage and limitation of liability. It will consider how these liabilities and claims arise and are enforced in a variety of international laws, as well as in international conventions and under standard form contracts in use worldwide.
