In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books.

My Brief History Deckle Edge

My Brief History recounts Stephen Hawking's improbable journey, from his postwar London boyhood to his years of international acclaim and celebrity. Lavishly illustrated with rarely seen photographs, this concise, witty, and candid account introduces readers to a Hawking rarely glimpsed in previous books: the inquisitive schoolboy whose classmates nicknamed him Einstein; the joker who once placed a bet with a colleague over the existence of a particular black hole; and the young husband ...

My Brief History (Deckle Edge) Hardcover: Hawking, Stephen ...

Where the deckle edge had previously been seen as a defect, collectors began to seek them out at this point. Trimmed edges were a red flag that a book may have been rebound, and could have been trimmed too far. A deckle edge was a sign of a pristine, original binding—or at least a sympathetic one (The

Book by Keith Houston).
