Narrative Matters The Power Of

Narrative Matters opens a window into what's happening in American medicine through the minds and pens of those in the middle of it all. At times insightful, depressing, uplifting, and direct, Narrative Matters accomplishes a rare feat—a book as well-written as it is necessary.” (Joshua M. Sharfstein, M.D., Baltimore City Commissioner of Health)

Narrative Matters: The Power of the Personal Essay In ...

At times insightful, depressing, uplifting, and direct, Narrative Matters accomplishes a rare feat—a book as well-written as it is necessary.” Ezekiel J. Emanuel “The power of these narratives shakes the reader, who cannot but apprehend health care from a new, individual perspective and commit him- or herself to make their part of the system better and more sensitive.”

Narrative Matters: The Power of the Personal Essay In ...

Each narrative is a single anecdote, yet together they paint the story of the present health care system. The narratives in this volume should be considered part of a curricular tool for medical students, administrators, and policy makers. Narrative Matters is a reminder of the proper context of health and illness. To use an analogy from the closing narrative by Dr Richard Boyte, our nation needs to open the curtain and expose the vulnerability of its health care system.
