### On the Threshold of Transformation: Daily Meditations for ...

In one of the opening meditations of On the Threshold of Transformation, male spirituality expert Richard Rohr writes, "We need to fail, to fail, to jump into the central mystery of our own existence, or we'll have no way of finding our true path." Those words summarize the central idea of all 365 meditations in this daily guide for men: that wholeness and holiness can best be found through some form of suffering or letting go.

### On the Threshold of Transformation | Loyola Press

On The Threshold of Transformation acknowledges this pain and deals with it directly and redemptively. While much in our culture today would have us believe that failure and suffering are inherently bad, Fr. Rohr helps men see that pain is a primary doorway through which they can pass to reach their authentic, best selves, which is where they encounter God.
