The explanatory prompt, which may draw its topic from a poem, is designed to elicit a sustained piece of writing and therefore asks students to write a composition. This composition should be formatted to include short vivid scenes to illustrate a point. The speculative prompt gives students a scenario which may contain a problem.

My MFA is even in poetry. I've taught beginning poetry workshops at university and also in some fairly unusual settings. I know a lot of people can use ideas for poems, poetry writing prompts, and inspiration. Even if you write poetry all the time, one of these idea starters might spark your muse or take your writing in a fresh direction.
