Ryobi 790R gas line trimmer parts | Sears PartsDirect

Hello jamesg, I can see two different styles of tanks. Take a look at this parts diagram 790R 41AD790A734 page B, and look how item number 30, starter housing is connected to the fuel tank. Then look at 790R 41BD790A034 page B, and see how the item number 34, starter housing fits around the fuel tank and half of the fuel spout. Hopefully this will help you figure out which one you will need.

Amazon.com: ryobi 790r parts

Ryobi has a module (coil) available for a number of the 780R trimmers. A few of them are no longer available however. To see if yours is still available you will need the series number of that particular unit. That number is located on the the same white tag that the bar code is on. If you can find that number match it up with your model number.
