Singing and Teaching Singing - A Holistic Approach to Classical Voice with Janice Chapman

Due to the beneficial effects of singing on language learning, it is reasonable to investigate whether teachers use songs in language teaching. Study 1 examined how singing, listening to songs and reciting poems or song lyrics as language teaching methods affect the development of second language learners' writing fluency.

Songs and poems in the second language classroom. The ...

This chapter focuses on the role of imagery in the teaching of singing. Technical imagery is mostly of value if it is associated with already established, repeatable functional freedom. After the singer has learned to coordinate breath management and proper laryngeal and resonatory responses, an image may be useful in unifying those functions.

With my K-1 students, I often help carry the melody, but by second grade, I expect the students to do all of the singing during our singing games. Students stand in a circle formation. Select one student to be the snake. When a child is selected to be the snake, I allow them to choose any color they like to sing in the song.

Teaching You Singing and Humming While Beatboxing!

I have his Ultimate Vocal Voyage, which I do find very interesting and useful. My role as a singing teacher at the moment however is more to do with choral singing. Among others I have three Bass voices to contend with and therefore do use my second piano (digital) to lower keys for them.

Singing teacher resources in the 21st Century - Vocal Process

The second edition of Singing and Teaching Singing: A Holistic Approach to Classical Voice gives me an opportunity to correct some misunderstandings about the application of the Accent Method to classical singing, and to refine and correct some things from the first edition which have come to light since publication.
