By bringing together writings of highly regarded scholar-practitioners from diverse Western and Eastern spiritual and religious backgrounds, we hope that Spiritually Oriented Interventions for Counseling and Psychotherapy will become a valuable tool for equipping psychotherapists to work with sacred themes in clinical interventions"--Introduction.

### **Spiritually oriented interventions for counseling and ...**

Clinicians have become increasingly aware of the benefits of incorporating spiritually-oriented interventions into the treatment of psychotherapy clients. However, most psychological resources on spiritual interventions have not provided enough detail on how to actually implement these interventions with clients; therefore, practitioners are generally left with more questions than answers.

However, these same clinicians often avoid implementing spiritual interventions or treatments in counseling because of the lack of evidence validating such modalities in clinical settings (Walker et al., 2005). In addition, the misuse of certain spiritual/religious modalities by a few has translated into many being wary of their use at all.

The integration of spiritual and religious interventions into psychotherapy may include activities such as reading selected passages of scripture with the client in session and praying together with the client in session.

### **Integrating Spirituality and Religion into Psychotherapy ...**

So in spiritually oriented psychotherapy, it's a therapy that takes advantage of that sense of belongingness, spirituality, some search for the numinous, that which is bigger than me. So what we do in spiritually oriented psychotherapy is we find ways to make that part of the conversation, to make that part of what happens inside psychotherapy.

### **Spiritually oriented interventions for counseling and ...**

Spiritual interventions can be defined as "therapeutic strategies that incorporate a spiritual or religious dimension as a central component of the intervention" (Hodge, 2006a, p. 157). Many social work practitioners are interested in using spiritual interventions in practice (Sheridan, 2009).

### **Using spiritual interventions in practice: developing some ...**

Specific approaches to integrating spirituality and religion into counseling have also been suggested. Lines (2006) recommended using techniques such as reading sacred text, seeking forgiveness for self and others, practicing mindfulness and meditation, and drawing upon sensory techniques such as yoga.

### **Integrating Religion and Spirituality into Counseling**

Spiritually- oriented healers must be cautious not to overlook the nature of the client's distress and degree of psychopathology that may require careful assessment and psychotherapeutic interventions. How psychotherapists and other helpers can mobilize and nurture helpful spiritual activities is the focus of this handout.
