Success In Bookkeeping And Accounts Mtcuk

Creative accounting is an absolute curse to a civilization. One could argue that double-entry bookkeeping was one of history's great advances. Using accounting for fraud and folly is a disgrace. In a democracy, it often takes a scandal to trigger reform. Enron was the most obvious example of a business culture gone wrong in a long, long time.

Accounting Sayings and Accounting Quotes | Wise Old Sayings

Most businesses use the double-entry bookkeeping system in which every entry to an account requires a corresponding and opposite entry to a different account. For instance, a \$10 cash sale would require posting two entries: a debit entry of \$10 to an account called "Cash" and a \$10 credit entry to an account called "Revenue."
