### Talk Is Cheap: The Promise of Regulatory Reform in North ...

The phrase talk is cheap means it is easier to talk about doing something than to actually do that thing. Many people say they will do something but never do it. The expression talk is cheap may be seen as a challenge to accomplish something, but it is usually a commentary that someone is not following through on a guarantee or promise. In other words, one may promise to accomplish any number of things, but the words mean nothing unless that person follows through and actually accomplishes ...
