The Dignity of Commerce: Markets and the Moral Foundations ...

The Dignity of Commerce sets out an ambitious market theory of contract, which Nate argues is a superior normative foundation for contract law than either the moralist or economic justifications that currently dominate contract theory. One of the book's most important contributions is its emphasis on the positive role played by markets and thus, by extension, of contracts.

The Dignity of Commerce; Markets and the Moral Foundations ...

The Dignity of Commerce: Markets and the Moral Foundations of Contract Law. Nathan B. Oman Chicago: University of Chicago Press, 2016 (304 pages) Well-functioning markets produce at least three desirable outcomes. They foster peaceful cooperation, often among strangers who do not share the same religious, political, or economic views.

The Dignity of Commerce - Markets and the Moral ...

Commerce tends to inculcate a set of moral habits -- virtues -- that support liberal political regimes by forcing market participants to view the world from another's point of view. Markets provide a framework for social cooperation that does not require deep moral or political agreement or tribal solidarity.
