The Next 25 Years The
The Next 25 Years is an initiative to inspire learning, create dialogue and raise public awareness of The Feldenkrais® Method. These short clips represent some of the practical applications and principles that are being captured for an educational video series on The Feldenkrais Method. They are not the finished product.

The Next 25 Years
"The Next 25 Years" is not as good as "The Supreme Court Phalanx" by Ronald Dworkin written from the same viewpoint as "25 Years" while analyzing the conservative stance through the idea of "Originalism", a philosophy only lightly touched as "Textualism" in Garbus' approach. Read more.

The Next 25 Years. Vital Voices President and CEO Alyse Nelson reflects on the 25th anniversary of the UN Fourth World Conference on Women – the progress made since, the movement it inspired and the need for women’s leadership around the world. September 5, 2020 – One of the things I’ve learned along the way is that a person’s path to leadership is rarely planned out perfectly – it’s an experience that begins with a conviction to do something.
