The Amsterdam School did not seriously challenge capitalism, but it could be said to have prefigured, at least for those able to enjoy it, a socialist city — made from the same material, egalitarian and densely collective, while remaining richly individuated to the point of eccentricity.

Imagining the Socialist City - Jacobin

What is a 'Socialist City'? The socialist city is an ideal. Urban planners created various designs for such cities to translate the political concept of a socialist state into everyday life. Their designs expressed the desire to shape a new future in older, existing cities, such as Leipzig and Berlin, and in new ones, such as Halle-Neustadt and Stalinstadt, later renamed Eisenhüttenstadt.
